NORSK TIPPING

*For Multix genereres halvparten av overskuddet til Grasrotandelen. Grasrotandelen beregnes ikke for Extra og Flax.

# *Welcome to North European Table Tennis Championships 2016*

On behalf of North European Table Tennis Union it is my pleasure to welcome players, coaches and leaders from 9 of the 10 NETU associations to North European Table Tennis Championships 2016 in Norway. The 10 NETU associations are Denmark, Estonia, Faroe Islands, Finland, Greenland, Iceland, Latvia, Lithuania, Norway and Sweden, and the only assocoation not participating during these Championships is Faroe Icelands.

NETU would also like to congratulate the Norwegian Table Tennis Association with 70 years anniversary 2016. NTTA was established 23rd March 1946, and only two months after the anniversary date these Championships will be organized, a perfect gift to the organizer. The Championships will be played in STIGA Fornebu National Training Center Friday 20th – Sunday 22nd Mai 2016.

Last time North Europeans was organized in Norway was 18 years ago, 1998, in Lørenskoghallen. The competition program this time is similar with the program in the NETU Championships 18 years ago. The Championships program is men teams, women teams, men singles, women singles, men doubles, women doubles and mixed doubles.

Finally I would thank the officials, referees, umpires and others involved for preparing and organizing the Championships. I am convinced the NETU Championships 2016 will be a success, and I hope you all will enjoy the Championships, and also that the strong relations between the NETU associations will develop more during this Championships weekend in Norway.

Best regards,

*Øivind Eriksen,*
*NETU President*

## *WELCOME TO NORWAY*

On behalf of the Norwegian Table Tennis Assosiation we wish to welcome you all to Fornebu, Bærum, for the North European Championships 2016. We are very happy that 9 out of the 10 NETU associations will be present in the STIGA National Training Center this weekend.

The competition will be one of the highlights for our national team this year. Being able to play on home ground in front of friends, family and table tennis enthusiasts will hopefully inspire them to an extra effort and good results.

We would also like to thank everybody involved in the organisation of the tournament.
We trust that everything will run smoothly during the weekend.

Now we look ahead to 3 days with fair play, close games, high quality matches and deserving winners. Good luck everybody!

Best regards,

*Erik Lindholm*
*President NBTF*

*Christian Ibenfeldt*
*Vice-president NBTF*

# PLAYING SYSTEM

***Events***
Men's team
(one team from each Association)
Women's team
(one team from each Association)
Men's single
(up to 8 players from each Association)
Women's single
(up to 8 players from each Association)
Men's doubles
(up to 4 pairs from each Association)
Women's doubles
(up to 4 pairs from each Association)
Mixed doubles
(up to 8 pairs from each Association)

***Team Events***
The system of play shall be the same as that for World Championships and each Association may enter 1 team in each event. As far as possible, each team shall play every other team.

***Individual Events***
Each Association may enter up to 8 players in singles, up to 4 pairs in men's and women's doubles and up to 8 pairs in mixed doubles. All individual events shall be played on a knock-out basis. The number of games in each match shall be the same as in the World Championships.

Sportsgulv til bordtennis!

**Unisport – Offisiell leverandør av sportsgulv til Norges Bordtennisforbund.**

Norges Bordtennisforbund valgte TARAFLEX sportsgulv fra Unisport Scandinavia til sitt Nasjonalsenter for bordtennis.

TARAFLEX sportsgulv er et allroundgulv som er meget slitsterkt og passer til alle typer ballidretter og gymnastikk, både for mosjonister og elite. TARAFLEX, som finnes i mange forskjellige tykkelser og farger, har en polyuretanbehandlet overflate som gjør gulvet veldig enkelt å vedlikeholde. Også mobile løsninger finnes.

Forutenom at TARAFLEX sportsgulv idag finnes i hundretalls av sportshaller, gymnastikksaler og skoler rundt om i Skandinavia, er TARAFLEX sportsgulv spillunderlag til NM-, EM-, VM- og OL-turneringer for ballidretter som håndball, volleyball, bordtennis, innebandy og badminton.

Unisport er markedsledende i Skandinavia på sportsgulv og kunstgress for fotball. I vårt sortiment finnes også kunstgress for golf & landscaping, tennisbaner, nærmiljøanlegg, tribunestoler og dekkesystem.

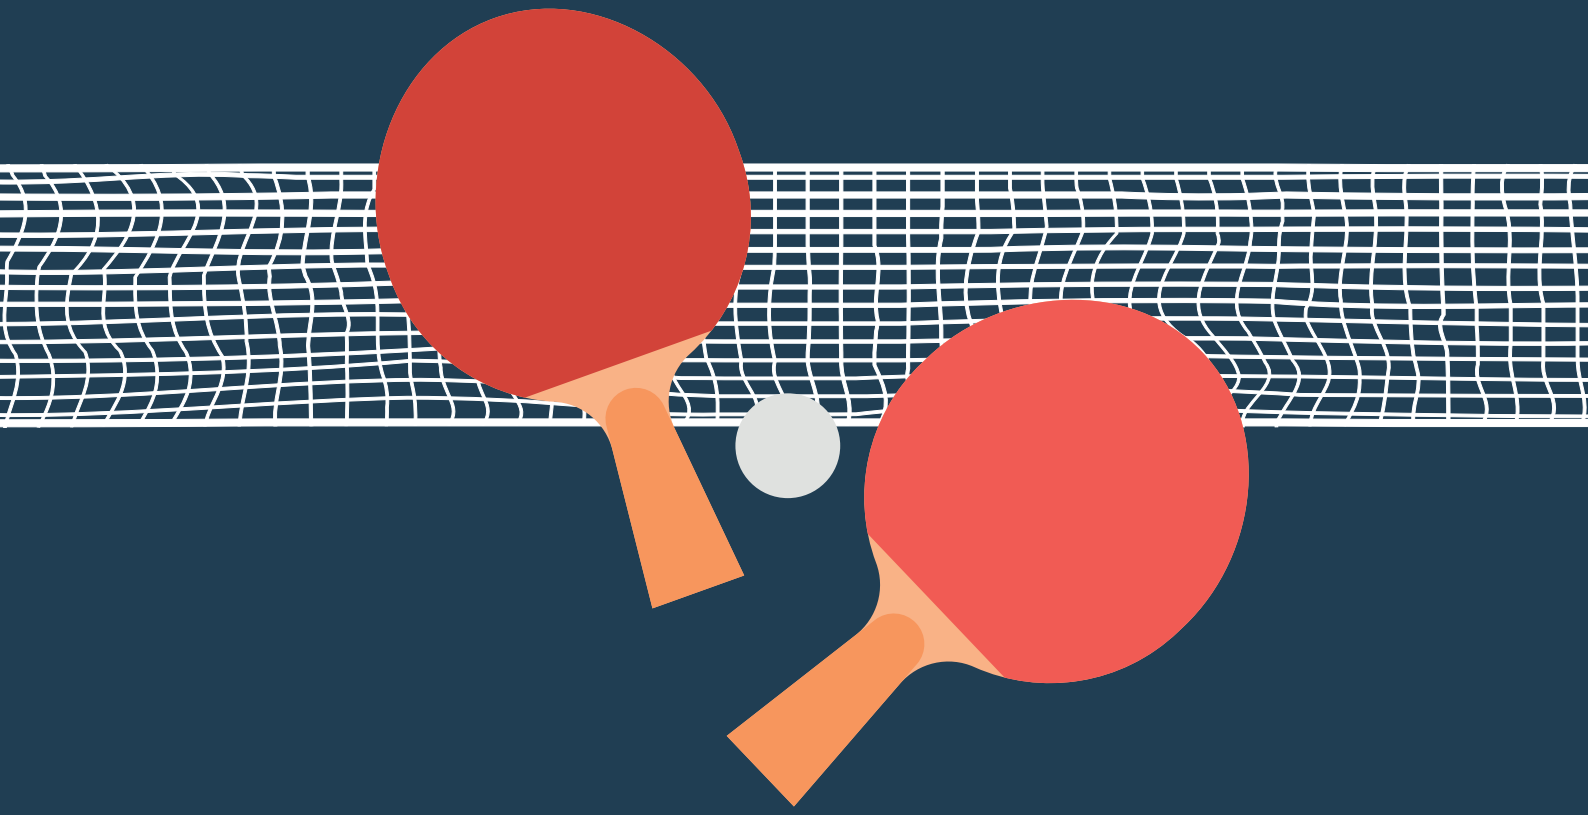
Gjensidige



# Proud sponsor of the Norwegian Table Tennis Association

Enthusiasm, dedication, and the thrill of a good competition. All the things we value highly at Gjensidige. And the reasons why we are proud to support the norwegian table tennis.

Gjensidige comprises more than 4000 employees in six different countries and is listed on the Oslo Stock Exchange. As one of the leading general insurance companies in the region, we offer banking, pension and savings services for customers in Norway, as well as general insurance across the Nordics and Baltics

# THE FIRST THREE OF THE SE7EN

## CARBONADO 45

Control: 47 / Speed: 140 / Elasticity: Stiff
Veneer: 5+2 / Style: Off+

- Carbonado 45 is constructed with Carbon layers in a 45 degree angle.
- 45 degree angle provides torsional bendability which gives the blade more flexibility and increased stiffness.
- The high trajectory makes it a perfect choice for the offensive player who looks for good speed and stability combined with excellent control.
- Wide personalized sweet spot
- 64 gram Carbon fibre per $m^2$.

## ETERNITY VPS V

Control: 66 / Speed: 107 / Elasticity: Stiff
Veneer: 5 / Style: Off

- Offensive 5-ply blade build to suite today's modern game.
- Special temperature threated middle veneers (VPS) gives great stability.
- Surface with extra hardness and smooth finish thanks to the Diamond Touch technology.
- Developed in close collaboration with the Chinese National Team.

VPS

## CARBONADO 90

Control: 47 / Speed: 140 / Elasticity: Stiff
Veneer: 5+2 / Style: Off+

- Carbonado 90 is constructed with Carbon layers in a 90 degree angle.
- 90 degree angle provides flexural bendability which gives the blade a stiff feel with great stability and high speed.
- The longer and flatter trajectory makes it an excellent choice forplayers who want to command the gameplay with high speed strokes.
- High personalized sweet spot 64 gram Carbon fibre per m2.
